

How We Work at LYF

OPEN DIALOGUE

We will be thorough and communicate regularly with relevant stakeholders. We will focus on points of consensus than points of difference.

PROFESSIONALISM

We will communicate in timely manner. We will not hesitate to ask for assistance so we can be prompt and helpful at all times.

IF YOU DON'T TAKE A CHANCE, YOU DON'T STAND A CHANCE.

INITIATIVE

LYF is a platform where progressive ideas and leaders will be encouraged. Individuals associated with LYF will take initiative to build and steer LYF towards its organizational and program vision.

OWNERSHIP

Initiative is not enough. Individuals associated with LYF will take ownership to plan and execute the initiatives by tapping its resources and creating new ones.

CREATIVITY

We will have to find newer ways of doing things differently and doing different things.
